

**WESTERN SYDNEY
UNIVERSITY**

ENGAGE WITH WESTERN

At Western we provide a range of activities and events for high school students, teachers, parents, carers and families – designed to help you explore everything our University has to offer.

IN-SCHOOL ENGAGEMENT

We Come to You!

We deliver highly informative presentations covering the many opportunities Western offers, such as courses, pathways, support services, scholarships and much more. Our Future Student Engagement team can also attend careers markets or subject selection events to provide your students and their parents with the latest information from Western.

Contact us to arrange a visit, indicating if you'd prefer virtual or in-person so that we can share a wealth of knowledge!

EVENTS

HSC Study Sessions

These free online sessions are led by highly qualified and experienced HSC teachers and markers, covering key HSC subjects. Each workshop helps students develop a solid understanding of HSC exam techniques, subject knowledge, and HSC preparation skills.

Discover Western Webinars

Join our team as they provide key information to prospective students, parents and you to assist students on their journey to success. Registrations are now open. Past Discover Western Webinars can also be found on our website and can be a useful resource for teachers and students alike.

One-on-One Consultations

Our Future Student Engagement team is now offering personalised one-on-one consultations for careers advisers. These sessions are designed to provide tailored support, answer questions about our programs and pathways, and share resources to help advisers guide their students effectively. Consultations can be accommodated both in person and online, providing flexibility to suit your schedule and location. By booking a session, careers advisers can gain insights into upcoming opportunities, admission processes, and strategies to further equip their students.

Aboriginal and Torres Strait Islander Future Students Information Evenings

Aboriginal and Torres Strait Islander Future Students Information Evenings provide prospective Indigenous students, parents, carers, teachers and community with the opportunity to learn about different pathways to study, the range of services available, scholarships on offer and life on campus. Chat to our Future Student Engagement team, Badanami Centre for Indigenous Education staff and current Indigenous students and get all your questions answered.

OPEN DAY | SUNDAY, 5 JULY 2026

Open Day at Western gives students a chance to visit our Parramatta Precinct, attend informative presentations, learn about our student clubs and societies, and chat with staff to help them make their decisions about tertiary education.

ENTRY TO WESTERN

The ATAR isn't the only way to receive a university offer. Western offers a range of entry options to help students reach their unlimited potential.

Some of Western's creative programs provide alternative entry pathways for students that show exceptional merit in the field of their chosen degree. Music or Performing Arts applicants can receive an offer based on an audition; Architecture, Design and Visual Communication students can receive an offer based on the submission and assessment of a portfolio.

Western also participates in the Schools Recommendation Scheme, where Year 12 students can receive an early offer based on their performance in Year 11 and their school's recommendation. westernsydney.edu.au/pathways

HSC True Reward

Our HSC True Reward early offer program will give school leavers much needed peace of mind, providing students with an early offer into most university courses based on their Year 11# or Year 12 results, rather than scaled ATAR. It is open to both domestic and onshore international students.

westernsydney.edu.au/hsctruereward

#All applicants must complete the HSC, including those made an offer based on Year 11 results.

The College

The College offers guaranteed pathways to the second year of Bachelor programs through an exciting range of Diploma programs. We've reimagined how our Diploma programs are delivered using research on the best ways for students to learn. Students can kick-start their first year of uni with confidence – there's smaller class sizes and personalised support to ensure their success.

Adjustment Factors

Students can boost their application strength and receive up to 10 adjustment factors (formerly known as bonus points) for entry to Western. Adjustment factors can be applied for living in the Western Sydney region, academic achievement in relevant subjects, disadvantage, elite athlete status, veteran and more. westernsydney.edu.au/adjustmentfactors

Aboriginal and Torres Strait Islander Entry Program

The Aboriginal and Torres Strait Islander Entry Program is an alternative entry pathway for Aboriginal and Torres Strait Islander people, providing prospective students with the opportunity to receive an early offer. Applicants are required to sit literacy and numeracy assessments and can attend an academic consultation to discuss their course options. Assessments can be delivered online or face to face.

This program is available for school leavers and non-current school leavers.

Scholarships

Each year, Western offers \$20 million in scholarships for a generous range of University, government and donor funded opportunities. There are over 100 scholarships across four categories:

- Indigenous scholarships: Dedicated to providing opportunities for academically gifted Indigenous Australian students.
- High potential scholarships: Recognising academic achievement, leadership qualities, exceptional talent, elite athletes and Western high school program participants.
- Equity scholarships: Providing support for students from equity and educationally disadvantaged backgrounds.
- Humanitarian scholarships: Enabling refugees and asylum seekers to achieve their dreams.
