STUDY IN SYDNEY, SEE AUSTRALIA

Sydney is one of the most liveable and picturesque global cities. With the world's largest natural harbour, 100 kilometres of coastline and beaches to explore, and an abundance of cultural activities year round, it's no wonder that Australia's largest city is consistently ranked internationally as one of the top 12 urban centres to visit or live in.

LANDMARKS

Some of the most famous Australian landmarks are here, including the Sydney Opera House, the Sydney Harbour Bridge, Bondi Beach and the Blue Mountains. Australia is also the proud home of the oldest living culture on earth. Indigenous Australians trace their history back 50,000 years and living in Sydney, you can glimpse their culture through their art, music, dance, stories and historic sites.

FOOD

The people of Sydney, known as "Sydneysiders", trace their collective heritage back to more than 170 countries. The city offers a taste of global cuisine through thousands of cafes and restaurants; from food trucks to five star eateries run by some of the world's most celebrated chefs. Fresh, reasonably-priced, locally-grown produce, meat and seafood is also available year round from grocers and markets.

CULTURE

You won't want to miss the year-round art, music, food, theatre, film and design festivals that put Sydney on the world cultural map. Sydney's Museum of Contemporary Art, the Australian Museum, the Art Gallery of New South Wales, the Sydney Aquarium and Taronga Zoo are all world-class attractions, as is the abundant natural environment that many Sydneysiders enjoy. The city is also home to the Sydney Theatre Company, the Sydney Dance Company and Opera Australia, as well as many other arts organisations.

OUTDOORS

A visit to Sydney is incomplete without enjoying the outdoor activities the city has to offer. Learn how to surf, paddle board or snorkel off the many ocean or harbour beaches. Head off on a walk, cycle or jog in one of the many city or coastal parks where you might stop for a picnic or barbecue to enjoy the view and the abundant bird life.

CLIMATE

Sydney's climate is comfortable and temperate year round. Generally, January and February are warm, while winters are mild. Average temperature (low-high):

SUMMER: December – February
18–29 degrees Celsius

AUTUMN: March – May
11–24 degrees Celsius

WINTER: June – August
9–17 degrees Celsius

SPRING: September – November
11–24 degrees Celsius

TRAVEL CENTRE

With the country's biggest airport, and as the centre of many bus and train transport hubs, Sydney is well-suited as a base to visit the rest of Australia. Take a weekend to shop in Melbourne, visit Canberra – the country's capital for the annual tulip festival Floriade, or make a longer trip to the Great Barrier Reef in Queensland or even Kakadu in the Top End of northern Australia.
